

you've been
BOOOED!

The Halloween spirit has come to your door.
Now it's time to spread some spooky fun!

Here's what you do:

- Enjoy the treat.
- Place the "you've been booed" sign on your door or window.
- Within two days, put together a treat bag, copy this "You've Been Booed!" note, and secretly deliver it to two neighbors who haven't been booed yet.
- Keep the fun going until Halloween night!

happy booiny!
